

# I AM THE NCR INTERACTIVE TELLER

## Drive-up, Through-the-wall Deployment

### Change your branch network distribution strategy

Cost-effectively deliver a face-to-face branch teller experience to your customers via the ATM, anywhere, anytime. Designed to provide remote assisted service, Interactive Teller enables creative new branch network distribution strategies, getting you closer to your customers across existing, new and alternative markets.

### Migrate transactions and lower costs

Interactive Teller enables migration of routine, expensive transactions from the teller counter to the ATM channel, giving you the combined benefits of personal service, lower processing costs, faster transacting and smaller footprint branches.

### Increase productivity

Live tellers are deployed instantly across multiple sites, matching customer demand for when and where live teller service is needed. This allows you to maximize workforce productivity whilst consistently managing the performance of your staff from a central location.

### Unlock amazing customer experience

Interactive Teller gives your customers live face-to-face interaction with tellers at the ATM, delivering a highly personalized, differentiated experience any time of day or night.

### Enjoy increased sales and revenue growth

By extending your brand footprint and physical reach to engage more customers, Interactive Teller increases your opportunity to sell services and generate referrals for specialist financial reviews resulting in increased revenue generation.
